

McKinley Intermediate School Drop-off and Pick-up procedures

Morning Procedures: 2nd and 3rd grade car riders will be dropped off in the **drive-thru** on the north side of the school, just off of 2nd St. Vehicles enter through the west entrance of the drive-through lane and exit to the east; parking on either side of the marked walkway.

Students riding and walking to school will enter the front doors on the northeast side of the building. Bus riders will enter the southeast doors, closest to the corner of N. Rogers St. and First St.

Tips For a Successful Pick-Up and Drop-Off:

1. Students may arrive to school **NO EARLIER** than 7:30 a.m., unless they are riding a bus. This allows us to get the bus riders in the building and on their buses without congestion.
2. Only use the drive-thru on the north side of the building for pick-up and drop-off.
3. Please encourage your student to have all of their items ready for a quick exit from the vehicle. This will help us keep the line moving.
4. If your child is walking to or from school, please use the crosswalks for safety.

Afternoon Procedures: Bus Riders will line up in the gym, then exit through the northeast doors to load their buses.

2nd grade car riders and walkers will exit through the southeast doors, closest to the corner of N. Rogers St. and 1st St.

3rd grade car riders and walkers will exit through the southwest doors, closest to 1st St
